OVERVIEW

This new adventure is a first person arcade mini game! Remember Duck Hunt and Fruit Ninja? Well, we have improved the logistics and brought it back into style with a brand new western theme. You will find yourself in an old time saloon facing the bar. You better hope you have a quick draw 'cause your mission is to shoot as many bottles out of the air as fast as possible. Time is counting down. . . Can you get the highest score – placing your initials on the Wall of Legends?

PROBLEMS

- Projectiles randomly instantiates and thrown into the air
- Timer that limits the player
- Saving high scores and names

REQUIREMENTS

- High Score
- Full Working Character
- Proper shooting mechanics
- Point System
- Projectiles(Bottles) thrown in the air

GOALS

- Finish Character with shooting mechanics
- Finish projectile behavior
- Create working timer
- Incorporate chicken mascot
- Create scoring system
